[Mobile Business Innovation for Financial Services, co-hosted by Venable LLP & PA Consulting](#)

Venable and PA are bringing together like-minded people who represent the mobile and financial services industries. Given recent moves to bring contactless mobile payments to the US market, this session will be a chance to share views on key topics in this rapidly evolving space:

- Strategic, technical and regulatory considerations that are driving decisions;
- How consumers, empowered with sophisticated smartphones, are driving innovation;
- International examples of mobile financial services where customer needs have been met and regulators' requirements are satisfied; and
- Mobile network operators, payment processors, mobile handset manufacturers and traditional financial services players working together to create an effective "ecosystem".

Date: Tuesday, January 25th, 2011

Time: 8:00am - 10:00am, discussion to begin at 8:30am EST

Location: [Venable's New York Office](#) - 1270 Avenue of the Americas, 25th Floor, New York, NY 10020

Breakfast will be provided.
