A Collection of the Best of Venable's Nonprofit Legal Articles and Presentations from the Second Half of 2009

As we begin 2010, Venable's Nonprofit Organizations Practice Group thought this would be a good time to share 20 of the most relevant and widely-applicable articles and presentations prepared by members of the Group over the second half of 2009. From the legal aspects of social media to CEO employment contracts to investment due diligence to website terms and conditions to hotel contracts to lobbying rules to preventing embezzlement (and more), our attorneys have put together some very interesting, useful materials that should be of help to your nonprofit organization as you tackle the always-challenging array of legal issues facing nonprofits.

Happy reading, and have a very happy new year!

Best wishes,

Venable's Nonprofit Organizations Practice Group
